- **Estyn Thematic Reports:**
- *Following two highly commended Best Practice visits by Estyn Inspectors, two reports on the best practices recognised at Ysgol Syr Hugh Owen are currently being shared*

*nationally in two Estyn reports. The Teaching Improvement report (June 2018) states that:*

- *'Improving teaching as a top priority in the whole-school improvement plan' and that the school is 'creating an atmosphere that enables the school to push teaching and learning boundaries'.*
- *the acting head teacher, 'strongly believe that every pupil deserves high quality teaching and high levels of help and guidance.'*
- *'Leaders place a strong emphasis on celebrating good practice in teaching and assessment across the school,' and that the 'pupils interviewed as part of this thematic review give great praise to the changes in the quality of teaching. They referred specifically to teachers bringing the learning alive through interesting and entertaining tasks that enabled them to think of things for themselves. '*
- *and 'in a relatively short period of time, the school has succeeded in improving the quality of teaching across the school with teachers having enthusiastically dealt with the school's priority to' push the teaching and learning boundaries'. As a result of this new and ambitious effort to improve, performance in key stage 4 has remained at least good for the third year in a row and welfare standards have improved significantly over the same period. '*

*As you can see above, all these activities and achievements are a sound proof of all the very commendable work that goes on to ensure that Ysgol Syr Hugh Owen is an inclusive and community-based school where the ability to self-improve is becoming more and more every day. Everyone improving together!*

### **School Uniform**

*I would like to thank all the parents who have shown their continued support for the school by ensuring that the pupils attend school daily dressed in their full school uniform. I must stress that we expect the highest standards of uniform from all pupils following the Easter Holidays and we will endeavour to ensure that this rule is adhered to in a fair and consistent manner. Please contact us should you need any assistance in buying school uniform. I thank you in advance for your support.*
