

What will I learn?

This course will help you to learn:

- About the types of jobs and salons you could work in and what it would be like to work in the hair and beauty industry.
- How to do basic colouring and perms (**pupils will apply temporary colour to each other's hair**), apply basic make-up, perform a basic manicure and how to keep a work area clean tidy.
- About basic salon reception duties, your personal presentation and your attitude to work and money.

How will I learn? The course is based on the Bangor Coleg Menai site for 3 hours a week in Years 10 and 11 and transport will be provided from and back to your school. This course is a mix of classroom and practical tasks and you will get a chance to prepare and practise your skills before you are assessed so that you know and understand what you will have to do.

What will I need? Learners will be required to provide suitable salon clothing and shoes - full shoes, black skirt or trousers and plain white top, wear minimal jewellery and have long hair tied back.

How will I be assessed? You will produce coursework which is assessed mainly by your course tutor. At the end of the course, you will sit an on-line multiple choice exam that will test your knowledge.

What happens after this course? After Year 11, you could go on to the City and Guilds Diploma Level 2 in Hairdressing or Beauty Therapy or a Foundation Modern Apprenticeship Level 2. After all this, you will be well prepared for work and/or to start an apprenticeship in the hair and beauty industry. But, if you don't fancy carrying on with hair and beauty, you could choose other suitable qualifications depending on what you want to look at next. Your careers adviser will be able to help you with your choices when you leave school.
